The Miguel Sandoval Scholarship, named for the first ever Snow City Arts student who worked with our founder Paul Sznewajs, is designed to offer current Snow City Arts students the opportunity to pursue independent study in their chosen artistic discipline. A current student is considered a student who has worked with Snow City in the past six months.

Students may apply for a dollar amount up to $250.00, must fill out the application below completely. If the student is less than 18 years old, a parent or guardian must co-sign the application.
